

Dear Student,

I am so glad that you're considering being part of **Team Lift!** It is very important that we as a church train, encourage, equip, and empower our youth NOW. You don't have to be an adult to serve or lead! God has gifted each of us with unique gifts that He wants us to use to build the Kingdom and we want to give you opportunities to use those gifts!

Below you will find a list of expectations of being a student leader as well as an application. If you feel that this is something that God is leading you to, then **please submit the application by AUGUST 30th, 2017.**

You are LOVED!
Pastor Jen

EXPECTATIONS

This will be the first time that the youth department has had a leadership team, so this team and the requirements will develop as time goes on. Here are some examples of ways Team Lift will serve: greeting students, helping to plan events, follow up with visitors, assisting mentors, leading up front, serving behind the scenes and playing a supportive role in events and activities. No student will be forced to do something they don't want to do, but we will encourage each student to move out of their comfort zone to lead and serve in ways they haven't before.

TEAM LIFT REQUIREMENTS ARE:

- Attending monthly meetings during the small group hour on Sunday- our first one is September 10th.
- Attending service at least 3 of the 4 weekends a month.
- Being on time and prepared when you are scheduled to serve or finding a replacement if you're going to be gone
- Spending time with God through prayer, Scripture, and study on your own time at least 2 hours a week
- Set a positive example to others in our youth group, in your home, in your school, and community
