Child dedication is a public commitment you make before God, your church and your family. The dedication service provides you, the parent(s), an opportunity to express publicly your desire to lead and spiritually nurture your child in cooperation with the Holy Spirit, so your child will develop a desire to love God and love others. To register, please contact Tonya Tavernaro at [ttavernaro@collegechurch.com](mailto:ttavernaro@collegechurch.com) by November 11.

This coach is the leader of a small group (6 - 10 kids) your child is in each week. These coached groups will journey together each night to their activities, Bible lessons and open/closing sessions. Your child will be learning God's truth through His narrative (story), the Church of the Nazarene Articles of Faith and modern day stories of how God is working today! We want each child to not only know God's Word but experience it in their own hearts and be inspired by those living around them today who love Jesus too.
